

# Nordic friends cooperation in preschool/kindergarten 2024

Akureyri Lahti Randers Västerås Ålesund

# Purpose

Since 2001, Nordic networking days have been arranged for the preschool every year. The network's task is to preserve the tradition of exchange of experience between educators and leaders who work in preschool activities in the Nordic friend cities:

- Akureyri, Iceland
- Lahti, Finland
- Randers, Denmark
- Västerås, Sweden
- Ålesund, Norway

The purpose of these relationships is basically to preserve and strengthen the peaceful bonds that exist between people. The relationships are also used to understand other cultures and exchange knowledge and experiences between preschools and systems.

# Goal

The goal is to develop and strengthen the Nordic preschool activities by focusing on current and future pedagogical focus and interest areas in the friend cities' preschools.

The educators and leaders are also encouraged to visit each other's preschools and through practical work contribute to exchanging experiences, knowledge and competence with each other. In this way, we get a common picture of preschool in the Nordic countries. This should lead to development and/or confirmation in the educators' and leaders' own preschools.

# About the cooperation

The Nordic collaboration is unique to the preschool. It unites the Nordic friend cities and gives a common image that the preschool is strong and proud in the Nordic countries. The networking days give the participants new experiences, knowledge, insights and ideas about preschool in general. We learn from each other and that creates an understanding of similarities and differences in preschools in Nordic countries. That the collaboration continues after 23 years shows that it is a successful concept.

We hope that teachers, managers, development leaders, strategists, administrative managers and politicians will continue to support Nordic friend cities cooperation in the future. That we can contribute with new thoughts and inspiration that can give courage, faith, hope and new perspectives on our work with children in the present and in the future. That we can all continue to enjoy sharing knowledge and be inspired through Nordic cooperation.

# Plan and arrangement

The nordic network days for preschool are based on three parts:

- Joint research-based keynote lecture
- Lectures/workshops where the friend cities contribute and lead.
- Study-visits to preschools.

The theme is a common thread through all three parts.

The networking days are evaluated jointly each time, and also in each city, therefore ensuring a constant development of the concept. Through this we ensure quality and make the networking days better.

**December**

- Follow up in each city
- News at norsamby.com and Facebook

**January**

- 26 January, board meeting via Teams
- News at norsamby.com and Facebook

**February**

- 1 February, last date application for Nordplus
- Proposals for lectures/workshops are sent to the working groups of the friend cities

**Mars**

- Meeting in the cities planning groups and decisions on lectures/workshops

**April**

- 2 April information of lectures/ workshops sent to Lahti
- News at norsamby.com and Facebook
- 5 April board meeting via Teams

**May**

- 6 May invitation with program and registration will be posted on norsamby.com
- News at norsamby.com and Facebook

**June**

- 14 June last registration day
- Presentation of lectures/workshops for the boards of the cities

**November**

- Board meeting i Oslo

**Oktober**

- Follow up in each city

**September**

- 19-20 September Nordic network days for preschool in Lahti
- News at norsamby.com and Facebook

**August/september**

- Genrep of lectures/workshops for the participants

# Themes and workshops in Lahti 2024

## The future of early childhood education and care in the changing world of society

- Children's perspective – Randers
- Digitalization – Lahti
- Psychosocial child environment – Ålesund
- Sustainable development: social, environment, economic – Västerås
- Sustainable development for the teachers – Akureyri

# Main lectures

Main lectures are not fully planned at the moment.

Leaders of lectures/workshops bring the presentation on a memory stick, a USB stick.

# When and where

**When:** Thursday and Friday the 19-20 September 2024

**Where:** Lahti, Finland

**Location:** Sibelius Hall, Ankkurikatu 7

[Sibeliustalo, Lahti - Tapahtumien, kokousten ja konserttien uniikki talo](#)

**Registration fee:** 275 EUR per person

**Invitation and registration open from:** 6 May 2024

**Last registration day:** 14 June 2024

# Language at the networking days

It must be stated in the invitation that we speak Scandinavian languages on the network days, with the support of English or with an interpreter.

It must be stated in the description of the lecture/workshop which language is spoken.

Before the main lecture and lectures/workshops, a short summary must be available in English for those who wish.

Leaders of lectures/workshops must bear in mind that the participants come from all Nordic countries, and therefore speak slowly and clearly.

Part of the exchange is listening to other languages, learning to understand and saying a few words.

# Possibilities to apply for grants

**Nordplus – application open till 1. February**

## **Additional possibilities**

- Nordplus Junior
- Jobshadowing
- Studyvisit

# Themes of previous networking days

2023 Akureyri	Preschool for everyone
2022 Randers	Parent involvement in Nordic day care – How can collaboration with parents on the development and learning of 0-6 year old children contribute to a good childhood?
2019 Västerås	The best interests of the child – How do the Nordic preschools work with the main principles of the Convention on the Rights of the Child?
2018 Ålesund	The strength of the Nordic kindergarten tradition – What makes it so unique?
2017 Lahti	The child's versatile skills in preschool
2016 Akureyri	The child's last year in preschool – on the way to elementary school
2015 Västerås	Modern technology in children's play and learning
2014 Randers	Health, movement and outdoor life, the role of the educator
2013 Ålesund	Life and learning in the earliest years – with a focus on the youngest children
2012 Lahti	The world is changing – how are the children in the Nordic preschools doing?
2011 Akureyri	Play for life
2010 Västerås	Mathematics has many languages, language and mathematics development in preschool
2009 Randers	Socially disadvantaged children in Nordic kindergartens
2008 Ålesund	Children's participation in preschool
2007 Akureyri	Cultural forms of expression
2006 Västerås	Different – Same – Equal – With a gender perspective in preschool

# Themes of previous networking days

2005 Randers

Relationship competence – from fault finding to recognition

2004 Ålesund

The reflective teacher – a resource that cannot be dispensed with in the future

2003 Akureyri

The modern childhood as a challenge – to meet the modern child

2002 Västerås

Quality and/or service development in today's preschool?

2001 Randers

The Nordic child perspective and pedagogical documentation

# Budget

Each city contributes financially to enable the annual networking days to take place. The fee that each city pays for its participants must cover costs such as premises, joint lecturer, transport, joint dinner and other refreshments.

The networking days have an average of around 150 participants and a budget of around EUR 41,000 to cover the above costs.

Conference price: EUR 275 per participant.

The host country can in some cases have the highest number of participants because they are in home country. Other countries contribute 10-40 participants each, for the network days to work out financially.

150-200 participants is a good number considering premises and transport as well as school visits and lectures/workshops.

# Nordic board

The Nordic board group plans, implements, follows up and evaluates the network days.

The board includes two or three people from each city, a total of around ten people.

Planning meetings are held for two days each year in November. The meeting takes place in the capital of the country that will be the next host municipality. This means that Ålesund plans for the board meeting in Oslo in November 2024 ahead of the network days in Ålesund 2025.
